

TVEBC President's Perch June 4, 2017

Our next meeting is scheduled for this Sunday, the 4th of June. We didn't have the t-shirts last month (my fault) but we do now. Come try on a t-shirt to determine your size. The color is royal blue. We will be ordering them as soon as we get everyone fitted for size. I will be picking up the name badge machine this weekend and hopefully will be able to start making them myself. We will see how that goes. We are going to try to get our logo on the name badge with each person name.
